DEDICATION

IN recognition of one whose friendship and interest have been a great asset and direct blessing to all who have been to Berry since its beginning, we, the class of 1943, regard it a distinct pleasure to dedicate this ninth edition of our year-book to MRS. G. LISTER CARLISLE.

M. GORDON KEOWN
Director

TWO of the most memorable characteristics of Berry are the surrounding beauties and the friendly spirit which prevail throughout the campus. It has been the earnest endeavor of the staff to collect and assemble a true picture of life at Berry. That effort is here consummated in the CABIN LOG of 1943. We humbly offer the Faculty and Student Body this book for their pleasure and approval, with the fervent hope that it may ever be to them a source of joy and pride and fond memories of happy days spent at Berry.

Far up in the hills of Georgia stands
Old Berry, tried and true.

The Shrine of many a memory of
The Silver and the Blue.

Our loyalty and love we pledge,
God keep Thee without fail.

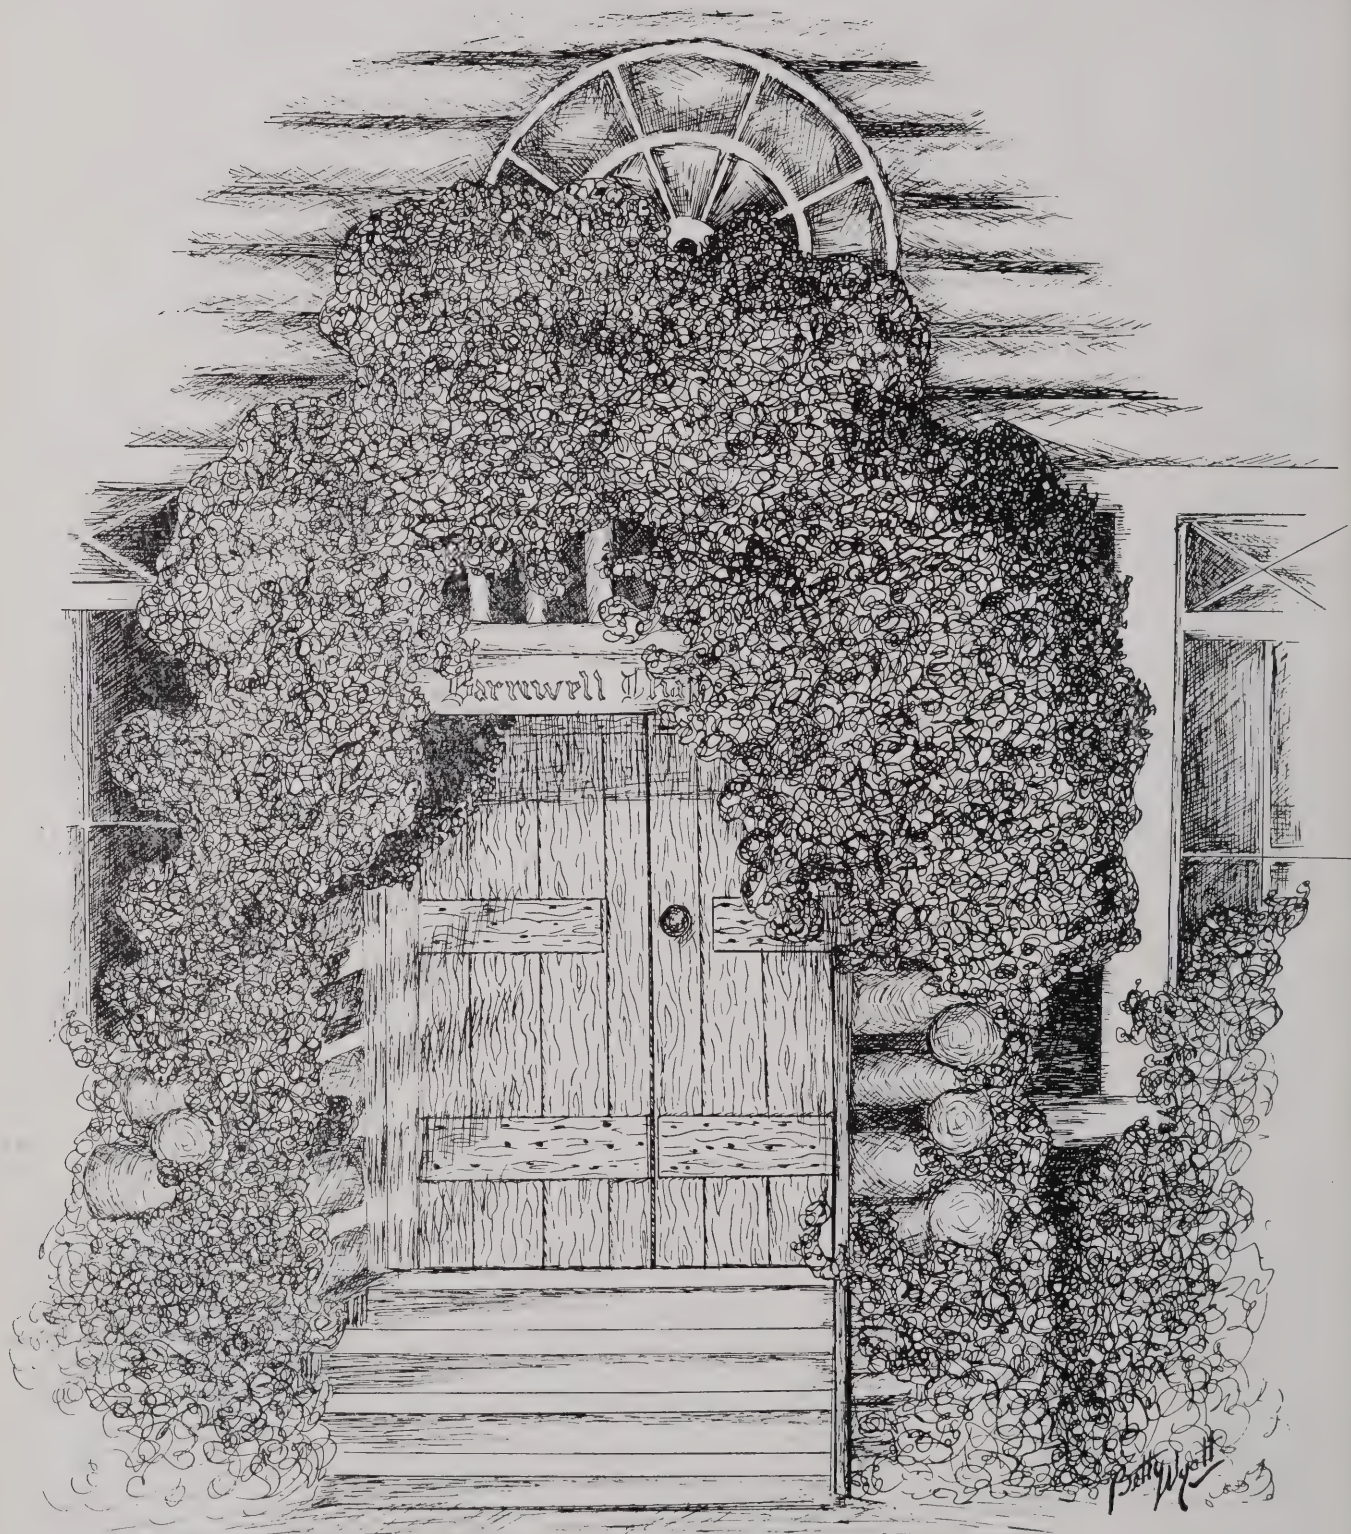

Be thou the light that shines for right,
Alma Mater, Hail, All Hail!

—M. C. EWING.

BERRY PSALM

"I will lift up mine eyes unto the hills, from whence cometh my help.
My help cometh from the Lord, which made heaven and earth.
He will not suffer thy foot to be moved: He that keepeth thee will not slumber.

Behold, He that keepeth Israel shall neither slumber nor sleep.
The Lord is thy keeper; the Lord is thy shade upon thy right hand.
The sun shall not smite thee by day, nor the moon by night.
The Lord shall preserve thee from all evil: He shall preserve thy soul.
The Lord shall preserve thy going out and thy coming in from this time forth,
and even for evermore."

BERRY HYMN

O God, our help in ages past,
 Our hope for years to come,
 Our shelter from the stormy blast,
 And our eternal home!

Under the shadow of Thy throne
 Still may we dwell secure!
 Sufficient is Thine arm alone,
 And our defense is sure.

Before the hills in order stood,
 Or earth received her frame,
 From everlasting Thou art God,
 To endless years the same.

* * *

O God, our help in ages past,
 Our hope for years to come;
 Be Thou our Guide while life shall last,
 And our eternal home!

—ISAAC WATTS.

This year it has been quite a task, and yet a privilege, to publish this ninth edition of THE CABIN LOG. Throughout the year, the staff has been working, sometimes day and night, when on the outside it appeared that nothing was being done to have an annual this year.

What appeared to be pleasure trips for members of the staff turned out in reality to be business calls on the engravers, printers, cover manufacturers, and our advertisers. Hundreds of calls were paid to our advertisers and hundreds

of letters written soliciting ads, making changes, sending out statements and proofs, and writing business letters to the elevator girls in Atlanta and Chattanooga.

We have made dining-hall announcements, posted notices, and paid personal calls in an effort to have everyone's picture included, and see that everyone gets a copy.

We hope that this book will be a source of pleasure and vivid recollections of college days to all our students and members of the faculty.

The Berry Honor Club is open to anyone who can meet the academic standards. Although it is the most democratic of the men's clubs, the membership is small. During the fall semester the membership was increased five-fold. Members now represent all the different departments of the college.

The Honor Club meets twice each month. Members are in charge of the programs which are always varied and interesting.

Each semester the Honor Club joins with the other honor clubs of the campus in sponsoring a party.

For eleven years the Excelsior Club has served the college girls as an honor society. Its chief aim of rewarding achievement and providing incentive for even higher scholastic attainment proves a challenge to all. By making the honor roll three consecutive times or five times in any order, one may obtain membership in the club.

Twice a month the Excelsior Club meets for both entertainment and enlightenment in the arts. Exceptionally fine programs are provided by the use of guest and club talent.

In order to provide social development along with cultural growth the Excelsior Club sponsors a dance each semester in coöperation with the other honor clubs.

The Berry Commercial Club organized February 11, 1914, under the charter granted by the state of Michigan, and provides protection to any class of commercial work in which a member is engaged.

Membership is limited to those students planning to engage in business administration and foreign trade work.

Programs in which members as well as faculty and guest speakers take part, are given to members of the

Thomas Berry Commercial Club. The Commercial Club and the Business Woman's Association give annually a lunch program in the fall and a dinner in the spring.

At the end of the semester the club gives two dinners and two lunch programs and a Christmas of entertainment which serves them at least the Club Day.

JOHNNY LIPSCOMB *Secretary-Treasurer*
DR. HARRY R. PIERCE *Adviser*

The Intercollegiate Debate Council was established in order to stimulate a greater interest in debating, to provide a means whereby students of this college may engage in forensic encounters with other colleges and universities, and in order that the students interested in public speaking in Berry College may give fullest expression to their abilities in this field.

The members, consisting of four women and twelve men, are chosen from the three upper classes. In order that everyone may have an equal opportunity for membership, competitive tryout programs are held whenever vacancies appear, the best being selected to become members.

THE Y. W. C. A. AT BERRY

The Y. W. C. A. endeavors to encourage and provide religious and wholesome social activities for the student body. A varied program is offered through Sunday evening vespers and Thursday evening services each week. Membership is open to all college students and faculty members.

The Y. M. C. A. and the Y. W. C. A. have jointly sponsored vesper services, an annual "Y" Reception, a mid-summer social, and publication of the *Student Handbook*. A special program was sponsored by the "Y" to help new girls to become better adjusted to college life.

The Y. W. C. A. is a member of the National Student Council and the World Student Christian Federation. Financial contributions are sent to these organizations annually.

The Association was represented at the Georgia Area Leadership Conference for Y. W. C. A. officers at Macon, Georgia, by Eloise Taylor. Alice Jackson and Mary Elizabeth Schoolar were representatives at the Blue Ridge Conference at Blue Ridge, North Carolina.

THE Y. M. C. A. AT BERRY

The Berry College Young Men's Christian Association has functioned as the foremost organization on the campus since it was founded in 1905, leading the way in preserving the ideals of Miss Berry, and giving the schools that spirit of Christian living.

The "Y" of course started as a small unit, but has grown as the schools have grown and now has varying and important tasks to perform. The most important is probably the training of Christian leaders and the organizing of students into a group that aims to carry out the work of God's kingdom.

To the new boys who are about to enter school at the beginning of each semester, members of the "Y" write letters of introduction, extending a warm welcome and assuring the new student that he will find friends and a happy beginning of his college career.

The "Y" sponsors a reception on the first Saturday after school begins, at which the new boys and girls become acquainted with each other and the old students. The "Y" sponsors movies throughout the school year and during the summer session of work, a movie a week.

For the more religious work, the "Y" has a program each Thursday night, a Vesper program each Sunday night, and daily devotions in the dining hall. A *Student Handbook* is published by the "Y" to enable new students to get their bearings.

The Y. M. C. A. is a member of the National Council of Student Christian Association and with the World's Student Christian Federation. Also delegates are sent to the Student Christian Conference of Georgia; the Regional Conference at Blue Ridge, N. C.; and to other conferences whenever possible.

The Industrial Arts Club was founded in 1934, under the competent leadership of men who realized the growing need for Industrial Education. The purpose of the club is to encourage interest, broaden general outlook, and promote growth in the Industrial Department. Up to the present time the club has been successful in its venture.

The club's membership is made up of those students majoring in Industrial Arts and maintaining a scholastic average of B, and of faculty who are interested in Industrial Arts, and who are voted into the club. These members make up the largest group of faculty members belonging to any one club on the campus.

In keeping with the purpose of the club, constructive programs are presented semi-monthly by students, faculty and guest speakers who have done conspicuous work in the field of Industrial Arts.

The club joins the other major clubs of the campus in presenting parties and expositions during the school year. This year the club joined the Home Economics and Agriculture clubs in presenting a Halloween party and in the spring a closed party. One regular meeting of each semester is held at the picnic grounds at which time extemporaneous speaking and tall tales are enjoyed by all.

The Burr Poultry Science Club was organized in the spring of 1934 at a division of the Burr Agricultural Club and is affiliated with the National Collegiate Poultry Club. The Club has participated in several poultry and egg shows, winning many cups and ribbons.

The motto of the club is "Through the Science we advance." Its chief purpose is the promotion of a finer fellowship and a greater knowledge among those of us who share the privilege of working with poultry in the various fields of the industry.

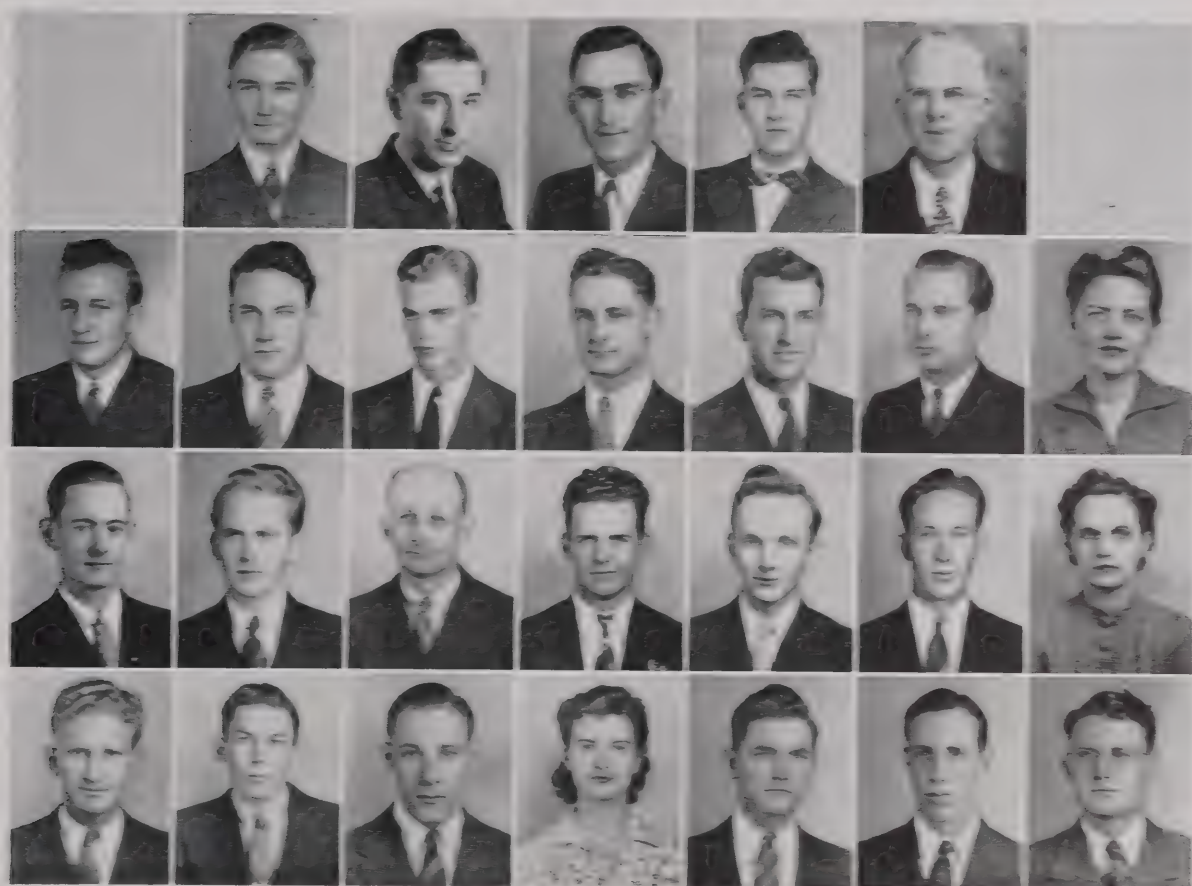

In addition to its regular meetings, the organization presents one program each month for the Agricultural Club.

Among the outstanding accomplishments of the Poultry Science Club is the annual chicken parade which is sponsored each spring. Last year, approximately 1000 students and members of the faculty enjoyed the very delicious food at the picnic grounds.

The Physical Science Club, the newest club on the campus, was organized in the Fall of 1942. A need having long been felt for such a club to promote the interest of the physical sciences.

Membership is limited to those sophomores, juniors, and seniors majoring in the physical sciences, and to juniors and seniors minoring in these subjects.

Meetings are held semi-monthly for the purpose of presenting educational material pertaining to chemistry, mathematics, and physics. This material is selected with the view in mind of integrating the different interests of these three departments.

The "X" Club is a secret honor organization of faculty and students, which selects its members on the basis of their leadership, school spirit, and Christian character. Student members are chosen from the Junior and Senior classes. The purpose of the club is to discuss school problems and to promote a better understanding between faculty and students.

I. C. Davis spoke on the subject, "Are the Youth of Today Serious-Minded?" at the fall semester Tap Day exercises held in the Mount Berry Chapel on November 21. Lloyd Crumbly presided over the exercises and welcomed each new member into the club. The men tapped for membership were Ralph Bowers, Edwin Brown, Henry Dennis, Algerine Garner, Linton Johnson, John McDonald, Walker Seymour, and Grover Smith.

THE BERRY AGRICULTURAL CLUB

The Berry Agricultural Club is an organization of college men and faculty members who are interested in problems pertaining to agriculture.

The club's motto is: "To Serve Our Home and Community."

The purposes are: 1. To gain agricultural knowledge. 2. To create more interest in agriculture. 3. To develop leadership for rural life. In order to do this, the club is affiliated with "Youth Section of American Country Life Association" which gives the club authority to send representatives to the youth conference which is held in Athens each year. Due to war restrictions the conference was not held this year.

The weekly programs include faculty talks, outside speakers, student discussions, and motion pictures, all of which are pertaining to agriculture.

The club joined hands with the Home Economics and Industrial Arts Clubs to present the Hallowe'en Carnival which was one of the most outstanding events of the year.

In order to accommodate the outgoing seniors and others boys who were "Caught in the Draft," the Eleventh Annual Banquet, which was scheduled for the spring semester, was held in the fall. Over two hundred students and faculty attended the banquet.

Honor certificates are awarded to all members of the club who leave school at the end of each semester. The following men received certificates of honor at the end of the fall semester: Edwin Brown, Donald Lamb, Norman Merrell, Howard Moore, Edward Parker, Marlon Wilson, Clarence Neely, Leon Hamilton, Lloyd Crumbley, and Kenneth Hodges.

Honor Keys are awarded annually to the three seniors ranking highest in leadership, character, and scholastic attainment. John McDonald, Clayton O'Mary, and Grover Smith received the Keys this year.

THE GEORGIAN LITERARY SOCIETY

The Men's Division of the Georgian Society, a progressive promoter of debating, declamation, music, and dramatics, added another successful chapter to the history of the organization.

Henry Dennis and Robert Dickey represented the Georgians in the Annual Oratorical Contest. Robert Dickey won first speaker's place over the Syreth boys.

At the annual inter-society basketball game on Thanksgiving Day, the Georgian team was defeated for the first time in five years. The score was 22-15.

On December 4-5 the Georgians presented "Saint Elmo," a three-act play directed by Kathryn Elrod and Walter Duncan. An outstanding performance was given.

Walter Duncan and Percy Pentecost lost a heated argument on January 13, 1943, in the annual inter-society debate. Percy Pentecost won second speaker's place.

Two of the outstanding events of the spring semester were the Banquet, held March 10 and the Joint Program, a minstrel being given March 13.

Men receiving honor certificates for outstanding accomplishments and loyalty to the club were the following graduating seniors: Joe Clark, Henry Dennis, Robert Dickey, John Fowler, Bon Griffin, Norman Merrell, Clayton O'Mary, Earl Pendley, and Rex Sutton.

THE GEORGIAN LITERARY SOCIETY

Since 1931, the Georgian Literary Society has been active in creating a special interest in the arts of speaking, writing, music, and dramatics among Berry College students.

Under the direction of Kathryn Elrod and Walter Duncan, the annual play, "Saint Elmo," was presented December 5-6.

Mary Ruth Goodman and Kathryn Elrod represented the society in the Annual Senior Oratorical Contest sponsored by the Georgian and Syrreb Societies. Kathryn Elrod won first place, and Mary Ruth Goodman won second place.

The two main Spring attractions were the annual banquet held in the Ford Refectory and the minstrel given at the Joint Program.

Certificates of honor were awarded to Imojeane Bexley, Clara Campbell, Eloise Cooper, Norma Durham, Kathryn Elrod, Virginia Green, Mary Ruth Goodman, Alice Clyde Jackson, Myrtle Joiner, Electra Moore, Connie McCrimmon, Theodora Nettles, Vivian Weaver, Genevieve Williams, Mary Frances Williams, and Frances Wingate.

SYRREB LITERARY SOCIETY

The Boys' division of the Syrreb Literary Society accomplished its purpose during the school year 1942-1943 by *Serving Through the Arts*.

Both divisions of the Syrrebs gave their twelfth annual Joint Program October 10, 1942. At the program, honor certificates were presented to the following seniors: Herman Rooks, Robert Paris, Marlon Wilson, Howard Moore, and Charles Taylor.

In the Senior Oratorical Contest on November 4, the Syrrebs were represented by Herman Rooks and Charles Taylor.

Thanksgiving Day brought victory to the Syrreb team in the annual basketball game between the societies. Captained by Hollis Smith, the Syrreb players held the lead to a 22-15 finish.

Linton Johnson and Dewey Large won the decision in the Inter-Society Debate on Founder's Day, January 13, 1943, with Johnson also winning first speaker's place.

Again on March 10, 1943, the two divisions came together in their efforts to give an entertaining program in the Ford Recreation Building, after which the Syrrebs and Georgians joined in dancing to complete the evening.

For their annual play, the Syrrebs presented "Dr. Jekyll and Mr. Hyde," directed by Elizabeth Nesbitt and Ralph Bowers.

SYRREB LITERARY SOCIETY

The year 1942-43 found the Syrreb Literary Society moving upward on the twelfth successful bend of the winding way in literature, dramatics, music, and other arts.

Opal Morris and Mary McCrary represented the Syrreb girls in the Senior Oratoricals, an annual event sponsored jointly by the Georgians and the Syrreb Societies.

During the fall semester both divisions of the society entertained a large audience at the college auditorium with a joint program. The program introduced pantomimes as a variation of the usual program.

As a result of the war, this year there have been innovations everywhere, nor have our societies been outside these innovations. Rationing and rising prices determined us to band together for one jolly party in the Ford Recreation Building March 10, instead of having our usual banquet.

To climax a year of changes, play directors Elizabeth Nesbitt and Johnny Lipscomb chose to present *Dr. Jekyll and Mr. Hyde*. For two nights, March 26 and 27, the play enjoyed a successful performance. (Ralph Bowers became play director when Johnny was called into the service.)

The International Relations Club of Berry College was organized in 1932, by a group of students who realized the importance of a deeper knowledge of national, international, and current events and issues. The monthly discussions of the club encourage broad-mindedness and fair judgment toward national and international issues presented by upperclassmen who are majoring or minoring in History or Political Science.

Each year the club is represented by two delegates at the annual International Relations Clubs Conference held at various places.

THE BERRY HOME ECONOMICS CLUB

The Home Economics Club is affiliated with the Georgia and American Home Economics Associations. All students majoring in Home Economics are eligible for membership. Some of the aims of the club are; to create interest in home-making education; to develop personality, leadership, initiative, social poise, and professional interest; and to gain a better understanding of the role of home economics in the present world crisis.

An active point system is employed whereby letters are awarded to members for participation in club activities, the letters being awarded as soon as the standards have been attained.

Regular monthly programs are given throughout the school year. Each year the club publishes a yearbook which contains all programs of the year. The theme for this year is, "Living for Victory." The main money-making project for the year was the "Halloween Party," sponsored jointly with the Agricultural and Industrial Arts Clubs.

In the fall the Home Economics and Agricultural Clubs had a joint banquet.

The Indigenous Brotherhood of the Followers of Perspicacious Loquacity, or the Loquacity Brotherhood, was formed by a small group of men interested in encouraging better written and spoken English on our campus determined "To guarantee to ourselves, to our fellows, and to those who come after us, a place wherein our common language may be heard in speech fit for a gentleman and members of an educated community," and has evolved into an organization of campus-wide influence, with membership unlimited to any field of study, the primary requirements being a willingness to perpetuate the purpose of the club.

The Band, with Prof. Maurice R. King as leader, has added much to the college pep and spirit by its presence at Joint Chapel, daily chapel, Sunday School opening exercises, society meetings, ball games, and other occasions where band music is needed.

Most of the Band members have had little instrumental training, if any, before coming to Berry. However, they progress rapidly under the excellent leadership found here.

This group of student musicians has proved its fidelity to Berry and is truly one that the institution can be justly proud to claim as one of her organizations.

Such exclamations as "You're flat!" "You're sharp!" "Watch me!" "Late again!" "Articulate—listen for vowel sounds!" "That's almost right, but not quite!" may be heard at Barnwell every Wednesday and Friday night of the school year. As funny and as meaningless as these expressions sound, they constitute a portion of the ingredients that are poured into the Berry College choir to produce the artistic performances that are characteristic of that organization.

The Concert Choir sings at all church and joint chapel services, and on special occasions represents the schools in concert programs. It presents annually the Christmas and Easter choruses of Handel's "Messiah." The members are chosen on the basis of vocal ability.

A good, round "juicy" tone, Griffin!!...Look at that Georgian Chorus with Rex Sutton as leader... Is this what you find in the Thomas Berry sitting room on Saturday evenings?... Who is it from, Thomas?...Does Johnnie play in the Syrreb Band?...Frances, are you on a prairie?...Romance doesn't spoil "Strut's" singing!

The Cecilians are a group of closely associated college girls banded together by their love and appreciation for music. They sing in Sunday School, in Chapel, in the Dining Hall, and for special Vespers. Under the direction of Miss Alice B. Warden, they share their abilities and appreciation for the fine type of music which they sing.

The purpose of the Ballad Girls is to keep alive the old folk songs and ballads of the Southern mountains. Dressed in clothes similar to those of their grandmothers, the girls make a lovely and enjoyable picture as they card, spin, or reel flax and wool while singing. The accompaniment is played on a dulcimer, an old stringed instrument handed down from generation to generation.

Under the direction of Miss Alice B. Warden, the girls have represented the schools well on various occasions off the campus.

GIRLS' QUARTETTE

Singing fine old Southern hymns and gay folk songs, the quartette entertains students and guests in the Dining Hall, Chapel, and Guest Cottages. Whether arising at early dawn for awakening songs or serenading at midnight, they perform their services in typical Berry manner.

BOYS' QUARTET

The College Quartet is selected by the Music Director and is designed to give training in small ensemble. Each member is chosen because of his having school spirit and outstanding vocal ability.

The Quartet memorizes a repertoire of religious and secular songs, and sings at "Y" meetings, Vespers, Chapel, for guests, and sometimes represents Berry off the campus.

The Berry College Melody Club was organized in 1927, to serve the interests of the students taking part in some phase of musical activity on the campus. The purpose of the club is to promote and encourage higher standards of music at Berry. Each semester the club recognizes those students who have excelled in music by nominating them for

membership in the club. After passing the required entrance examination the nominees are given membership certificates and are privileged to wear the club letter.

To create a greater appreciation for concert music, the club presents each spring a recital in which the entire school is invited to participate.

A CLOSE-UP OF THE SYRREB TEAM

The Syrrebs beat the Georgians in the annual Thanksgiving Day basketball game. The score was 22-15. Hollis Smith, Syrreb captain, paced the winners' attack with 11 points. Linton Johnson scored 7 points to help the cause. Joe Clark kept the Georgians within striking distance by accounting for 11 points.

Varsity Teams

BASEBALL

The Varsity Baseball Team is chosen from the men who participate in the fall Inter-Dormitory series. The team is chosen by the Athletic Director and the captains of the teams. The requirements for making the team are outstanding ability and performance in batting, fielding, teamwork, and good sportsmanship. The Varsity "B" is awarded to the elected men with the exception of freshmen; they are given the freshman numeral.

BASKETBALL

The Varsity Basketball Team is composed of Seniors, Juniors, and Sophomores who have shown outstanding ability in team spirit and good play. This team was elected by the players in the Spring Tournament. The annual affair is held under the direction of the Athletic Director, Dr. Cook, in the College gymnasium, thus giving it a slight advantage over other teams assembled on the campus.

TRACK

The Varsity Track Team is composed of men who have made a total of at least seven points in a single track meet. Any man who breaks a record receives eleven points, the minimum requirement for the Varsity "B". Points awarded for each event are as follows: first place, five; second place, three; and third place, one point. Freshmen are awarded numerals for their efforts if they come up to these requirements.

DORMITORY BASEBALL

For the ninth consecutive year the Inter-Dormitory series ended with Lemley as champions. Lemley won six, lost none, and tied one. Thomas Berry won two, lost four, and tied one. Emery won none and lost four.

Julius Wheeler did the heaviest hitting throughout the series with a batting average of .465, followed by Joe Clark with .460. Norman Merrell did the most effective hurling chores by winning four games for Lemley.

Lemley and Thomas Berry were just too much for Emery, but Emery could never be counted out until the final ball was pitched.

EMERY BASEBALL—FRESHMAN CROSS COUNTRY

Emery was defeated twice by both Lemley and Thomas Berry. This eliminated Emery from the series. Wiley Blanton was captain of the Emery nine: Hite and Worley did the hurling for them.

Ales Ridley won the Freshman Cross-Country race November 12. Ridley took the lead soon after the start and never relinquished it. He won the race going away. The official time was 11'24". Ridley was followed by Wade, Shirley, Thornton, Hamilton, Mark Moran, Iris Burch, Comer, Roswell Smith, and T. Neugent.

The 1942 Inter-Dormitory track meet proved to be most interesting. Lemley and Thomas Berry furnished the main competition. Lemley won by the narrow margin of 5 points, as Lemley totalled $67\frac{1}{2}$, and Thomas Berry accumulated $62\frac{1}{2}$. Emery collected only 5 points in all. The final outcome was decided in the last two events with the "breaks" in Lemley's favor.

The weather was beautiful for the event. A large crowd was in attendance, including several alumni and some former members of the faculty.

CROSS-COUNTRY

In the annual three-mile cross-country run, Thomas Berry defeated Lemley. The final results of the race placed eight men of the first ten for Thomas Berry and the remaining two for Lemley.

Hollis Smith broke the record by completing the course in sixteen minutes and nine seconds. He was closely followed by Alton Boatright, Leon Graham, Johnny Lipscomb, and Tandy Dalton in that order. Boatright, Lipscomb, and Dalton were awarded the Varsity "B" for their performances. Smith and Graham added a star to their letters.

DORMITORY BASKETBALL

The Inter-Dormitory basketball series proved to be one of the most outstanding and most highly competitive events on the campus. Lemley, led by Linton Johnson, took the series by a close margin. The score of the first game was 22-20, and that of the second and clinching game was 20-19. There was a large attendance at both games as these two evenly-matched teams struggled.

In the Fall tournament, the Freshmen marched away with the victory wreath. They were coached by Linton Johnson. The only team to challenge their rating were the Seniors. GIRLS' ATHLETICS

Under the direction of

MISS OLLIE KNIGHT

The girls have an opportunity to participate in the following activities: basketball, softball, tennis, table tennis, dancing, drills, regular gym classes, and most interesting of all the Play Day which comes on April 1. On that afternoon, these girls demonstrate very well that which they have learned at Berry and before coming. One might not realize what a group of feminine athletes there are in college until he sees the girls on exhibition April 1, Thanksgiving Day, and other occasions.

On the opposite page are, in group I, one of the gym classes; Group II, Janie Kate Hice, Aline Jordan, Evelyn Loveday, and Martha Douglas. You can figure which two are turned the right way. In the bottom picture, Sara Ansley does a fancy twist.

On this page in Group I is a group playing softball; in the lower left, Mary Ruth Goodman swings out; and in the third picture are four tennis experts—Martha Phillips, Evelyn Loveday, Frances Griffith, and Mary Ruth Goodman.

In the group to the right, Janie Kate Hice, Aline Jordan, Betty Lott, and Margaret Tison support Sara Ansley. These are demonstrations of some of the stunts which the girls are capable of doing.

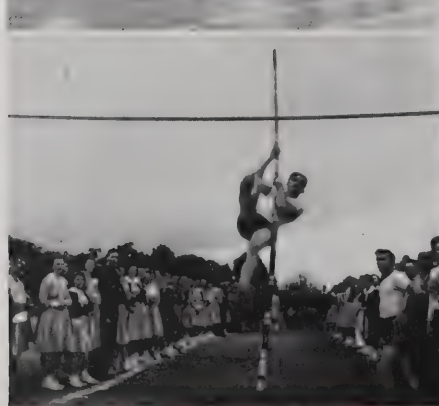

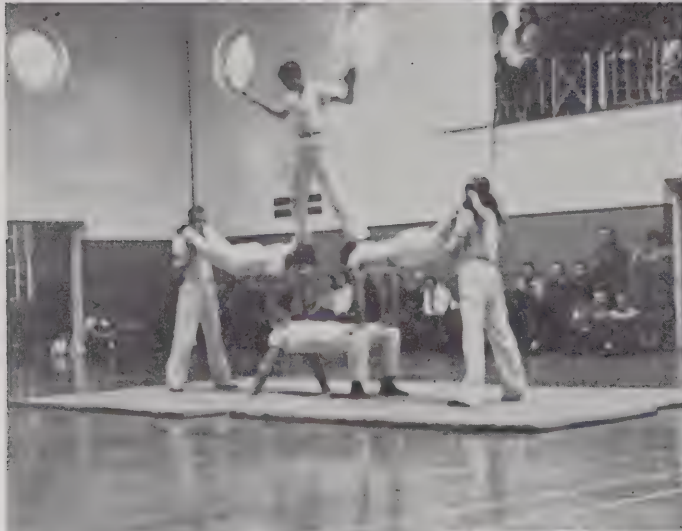

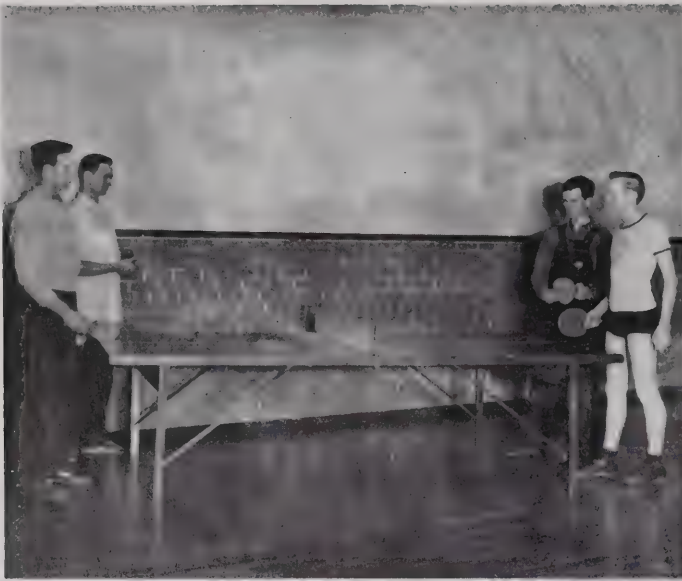

Below, the girls perform on the parallel bars. Such pictures prove that the Berry boys have nothing on the girls as far as stunts and drills are concerned.

Definitions: Civilization is the advance from shoeless toes to toeless shoes. Rationing is less and less of more and more oftener and oftener. Anatomy was the first man to study medicine. The best cellists are those with bow legs.

Advice to girls who are after their men: It takes face powder to get a man, and baking powder to hold him.

Bob Scoggin: "Say, Captain Wilson, I don't believe I deserved a zero on this paper."

Captain Wilson. "I know you didn't, but that is the lowest grade we give."

Edith Duke entered a corner drug store. When the clerk approached her she said, "Give me a green lipstick, please."

"You mean a red lipstick," the clerk corrected her. "We don't have green ones."

Edith seemed depressed. "Oh, that's a pity," she said, "You see, I have a date with a state patrolman tonight, and I don't want to give him the wrong signal."

Frances: "I've got a test this afternoon, 'ol lady. Pray for me in shorthand."

Mary Ruth: "I can pray for you in French, but I don't know any shorthand."

Ralph: "Let us have our test today, Teacher."

Teacher: "I don't have it made out yet."

Ralph: "Well, that's just the kind of test we need, because we haven't studied for it anyway."

Bill: "You look broken up. What's the matter?"

Joe: "I wrote home for money for a study lamp."

Bill: "So what?"

Joe: "They sent me the lamp."

Mother: "Say, are you kissing that young man?"

Louise: "No, mother, I'm only brushing my teeth on his mustache."

★ Georgia Marble was widely used to beautify the buildings of Berry College. The beauty and wearing qualities of Georgia Marble are so well known that its use in the more beautiful American structures increases year after year. It is a wise choice for beautiful buildings that are built to stand for a long time.

GEORGIA MARBLE

THE GEORGIA MARBLE COMPANY, TATE, GEORGIA

I kissed her on her ruby lips
While we were on a frolic;
And now, by heck, the doctor says
I've got the painter's colic.

Black Gal: "Why does you call your boy friend 'Coco'? Because he is such a big nut?"

High Yaller: "Naw, I calls him 'Coco' because he's such a 'Hot Chocolate'."

Lanier Mullis said that making love is like making pie. All you need is a lot of apple sauce and crust.

Well, he ought to know.

College is just like the laundry—you get out of it just what you put into it; but you'd never recognize it.

Judge: "Don't you realize that by leaving your wife you are a deserter."

Mr. B.: "Judge, if you knew that woman like I know her, you wouldn't call me a deserter. You'd know that I am a refugee."

Ruth: "I can't see why you stayed outside so long with such a good dancer as Bill."

Irene: "Well, he showed me some new steps and we sat on them."

A widow is the most fortunate woman in the world. She knows all about men, and all the men who know anything about her are dead.

We didn't know that Bill was Scotch until we found that he signed all his telegrams to Betty "XerXes" so that he could get in two more kisses for nothing.

If these jokes are good, you'll laugh at them; if they are not funny, we hope you will forgive and forget. But here are some Slogans for Victory that we hope you'll remember.

You can't sit at ease and beat the Nipponese.

Luna —

I won't write by my picture, 'cause I hope people think it's a mistake. I mean—I hope they think the printers got the Cabin Log mixed up with a zoölogy book.

I can't begin to tell you the swell times I've had with you among the scenes and with the "peoples" pictured in this book.

Everything we've done will always remain as the "be-yoo-ti-fullest" of beautiful memories in my heart.

I guess I have succeeded in ruining the looks of this page.

The very best of luck in everything you do. You deserve the best.

Sincerely —

Jed
